

## Fleet Feet x Nike Vaporfly NEXT% | Contest Details and Rules

By submitting 50 Miles in the Fleet Feet Rewards App, you enter for a chance at a guaranteed purchase of Nike Vaporfly NEXT%. You can enter as many times as you like. If you are selected, you will be notified via email on or around July 5, 2019. You will be given 24 hours to claim and purchase your pair for \$275. If you do not claim your pair, another winner will be selected in your place. By claiming and confirming your purchase, you will guarantee that a pair of Vaporfly NEXT% in your indicated size will arrive at your doorstep on the day the product launches.

You must indicate your footwear size and gender within your Profile of the Fleet Feet Rewards App. For example, if you currently wear a women's size 8, provide that information in your Profile. Fleet Feet will make the appropriate conversion to the unisex sizing for Vaporfly NEXT%. For more information on program rules, please see the Official Rules of Entry [here](#).

#### How do I indicate my shoe size?

- In order to have a chance to be randomly selected as a winner, you must fill out your size and footwear gender within the "Running and Product Preferences" section of your profile.

- To find your profile, open the Fleet Feet Rewards app and select the side menu in the upper left hand corner of the app. You will see a section called "Profile". Select this section, find the "Running and Product Preferences" section and indicate what size and what gender running footwear you wear.

- Please indicate the size and gender you currently wear. For example, if you wear a women's size 8, select "8" within "Running Footwear Size" and select "Women's" within "Running Footwear Gender".

- Fleet Feet will use this information to determine your size in the Vaporfly NEXT%. **Fleet Feet Footwear Experts will convert your indicated size to the appropriate size. As the Vaporfly NEXT% is unisex sizing, a women's 8 would be converted to a men's 6.5.**

- We ask that you do not make this conversion when indicating your size. We are providing this information so that you know what size Vaporfly NEXT% you will receive, if you are selected as a winner and claim your purchase.
